VA Leadership Roadmap:

District-led Leadership Training seminars and programs during the VA District Calendar Year ought to emphasize the “Officer Certification Program,” “Instructor Development and Certification Program,” “Horizon Program,” and the “Intermediate” and “Advanced” leadership skills seminars.

VA-District Leadership Trainers and Leadership Training Instructors (LTIs) ought to concentrate on presenting Leadership seminars in blocks of three or more seminars in one setting to many chapters in their surrounding area from the “Chapter Life,” “Member Orientation,” and “Life Skills” seminar lists, once each calendar quarter. LTIs near each other in a “surrounding area” ought to work together to meet this quarterly goal. Please inform us with the dates and locations of seminars for inclusion in the District and Region Leadership calendars, at the very soonest when seminars are planned, for maximum exposure.

VA-District Leadership Trainers and Officer Trainers (OTs) ought to concentrate on presenting Officer Certification Programs (OCPs) in Virginia, with surrounding Districts, and during Region N sponsored OCPs at least twice per year. Certification of new OTs from Senior or Mater LTIs can occur at these programs.

Leadership Training at VA District Rallies, Rally In The Valley™ (RITV) and Wingless Weekend (Wingless), ought to present seminars from the “Chapter,” “Intermediate,” and “Advanced” leadership skills seminars.

Leadership Trainers and Instructors (LTIs and OTs) ought to encourage chapter participants to enhance their leadership skills by pursuing as many of these seminars at different locations each calendar year as possible.

Leadership Trainers and Instructors (LTIs and OTs) ought to identify and mentor potential Leadership Training Instructors (LTIs) for the “Instructor Development and Certification Program” and for subsequent instructor participation. Current LTIs may take the OCP and qualify, when Senior or Master LTIs, as an Officer Trainer (OT). Only OTs may teach the OCP.

Leadership Trainers and Instructors (LTIs and OTs) should secure facilities and obtain or reproduce LTD seminar materials for local seminars. LTIs should seek help from their District Trainers at the earliest time to support their seminars. GWRRA National will fund the reproduction of OCP and Horizon Program materials—talk with your District Trainer.

Leadership Trainers and Instructors (LTIs and OTs) ought to obtain, from the VA District Trainers, a Username and Password for the National LTD website for downloading the LTD Handbook, LTD Timeline, and LTD seminar lesson plan and presentation materials, as well as, the Officer Certification Program materials (for OTs only).

All members, please remember, all GWRRA LTD materials are copyrighted, for member use only, and are not for transmission or use outside the organization.

Officers Certification Program Billboard:

All, who are in the following officer positions before 1 March 2010 (Region and District Directors and Assistants, Region and District Leadership Trainers and Assistants, Chapter Directors and Assistants), must complete the GWRRA Officer Certification Program (OCP) by 31 August 2010. Officers scheduled for appointment on or after 1 March 2010, must have completed the OCP prior to assuming their officer position. Members desiring an officer position on or after 1 March 2010, must complete an OCP prior to assuming that officer position. They must plan ahead to earn their “certificate” on time!

Officers in the above positions must update their OCP certificate annually at the District Officers’ Meeting. The District Leadership Trainer will brief the Officers Handbook updates at the District Officers’ Meeting. The Virginia District Officers’ Meeting is in the Fall.

Current LTIs may take the OCP and qualify, when Senior or Master LTIs, as an Officer Trainer (OT). Only OTs may teach the OCP. The current Region and District Trainers are all Officer Trainers (OTs), so we have a running start in 2010 for this new initiative.

All Leadership Trainers are now Officers. All Leadership Trainers must satisfactorily complete the OCP under the same timeline as the Operations Officers.

Rider Ed Officers are not part of the “requirement,” but are encouraged to attend OCPs on a space-available basis. Rider Ed Officers may be required, at some future date, to complete the OCP.

Members planning to take an Operations or LTD Officer position in the next 12 months should take the OCP this year. Check the VA LTD Roadmap, check with other District Leadership Trainers, and Plan Ahead!
